

## **Worship Arts Pastor Job Description**

### *Job Description:*

The position is full-time with benefits. State College Assembly is a multi-ethnic and multicultural congregation located in central Pennsylvania. State College is also home to Penn State University which draws numerous cultures and ethnicities to our community. The position of Worship Arts Pastor includes (but is not limited to) the following responsibilities:

1. Create an environment empowering volunteers and raising up new worship leaders. This would include intentionally developing an ethnically diverse worship team.
2. Coordinate and oversee all aspects of worship at SCA. This would include regularly incorporating both new and traditional worship songs.
3. Coordinate and oversee the lights, sound and multimedia department.
4. Maintain all needed copyrights and software within the worship arts department.
5. Pastoral care of the general congregation as well as the individuals within the respective areas of ministry (hospital visits, on call rotation, etc.)
6. Assist in website and social media promo as needed.
